Looking for a more affordable option for your allstar cheer experience?

We now offer ***non travel*** division options. Our non travel divisions compete “in state” only. Allstar fees (uniform, competition fees, ..) will be significantly lower as well.

All Star Cheer is divided into divisions by experience and age so that an athlete may participate in a way that fits them perfectly

Non Travel Divisions

Novice

For individuals who are new to All Star but ready for performance-based teams that are evaluated at events. Novice teams focus on strengthening technique and performance skills that help prepare athletes for competitive All Star teams.

Prep

For individuals with limited tumbling who want to strengthen technique and performance skills in a competitive team atmosphere. Prep teams typically require less time and cost commitments than are required of All Star Elite divisions.

Travel Divisions

Elite

For individuals with strong cheer training and solid technical ability. Elite teams are composed of athletes who are ready for highly competitive performance levels. Elite teams require more time and cost commitments than are required of All Star Non travel divisions.

Fundraising and Support

Fundraising helps to offset some or all of the costs incurred as a member of the All Star Cheer program. We strongly encourage you to participate in various fundraising events throughout the year. We will have a Booster Club to coordinate the fundraising activities throughout the year. With effort and organization, fundraising can go a long way to help cover the cost of your athlete. All fundraising can be applied directly towards your tuition or other fees.

Booster Club

The Booster Club will serve as the parent-run booster club with elected officers. The purpose of the booster club is to fundraise to support our athletes in the program. Being a member requires participation in booster functions such as fundraisers, assisting with RBA-hosted events and attending meetings. Funds will help offset costs which might include uniforms, camps, competitions, travel, etc. Royalty Brand Athletics Association's Booster Club is a separate entity and has its own bank account. It is a nonprofit and tax exempted organization.
